K. R. Srinivasiengar Esquire, M.A.,
President of the District Board,
Kadur District, Chikmagalur

To

C. S. Balasundaram Iyer Esquire, B.A.,
Offg. Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

In inviting your kind reference to Government order no. 1659-67/L. B. 58-08-32 dated 4th August 1909 directing that the previous sanction of Government should always be obtained for the execution of nonbudgetted works, I have the honor to state that in the selection of works for execution, the programme of works as entered in the sanctioned budget cannot always be adhered to as works of greater importance and urgency have sometimes to be undertaken during the course of the year. If sanction of Government is to be obtained for every nonbudgetted work, however petty and trivial, it will involve a considerable amount of correspondence and delay in the execution of works especially those

which

which have to be undertaken during the closing part of a year when there will not be sufficient time to obtain sanction of Gavernment and then take up the execution of the works. As an instance of a petty work which was not provided for in the budget but which had to be undertaken urgently may be mentioned the repair of the Munsarihalla foothridge at Koppa at a cost of Rs. 10/-. The Gavernment having in their docket-No. 932 dated 27th July last taken objection to the execution of the work without previous sanction, the circumstances under which the work was undertaken were explained and sanction was accorded for it by Gavernment in their proceedings no. 1805-½ dated 23rd August 1910. I respectfully beg to submit that such restriction placed on the District Board, especially in the sanctioning and execution of works, unnecessarily hamper the work of the Board and does not appear to serve any useful purpose. I therefore request

that Government may be pleased to permit the District Board to make any alterations they may wish to make in the budgetted works provided the total allotment is not exceeded; or if this cannot be done, that the Boards may be at least empowered to sanction nonbudgetted works to a limit of Rs. 100/. in cases of necessity and urgency.

I have the honor to be,

Sir,

Your most obedient Servant,

Venkatasubbarayalu

For President of the District Board,

Madura District.
